

2018  
RECREATION **GTS™**

With features usually found on higher-priced models, the GTS offers tremendous value for your money. Offering perks like the most fuel-efficient engine in the industry, the lightweight/high-strength Polytec™ hull material, and more storage than the other watercraft in its class.

**RIDER CAPACITY**

Weight capacity 600 lb / 272 kg

White / Reef Blue

**DIMENSIONS**

Fuel capacity	15.9 US gal / 60 L
Length	132.6" / 336.8 cm
Width	48.5" / 123.1 cm
Weight (dry)	630 lb / 286 kg
Storage capacity	30.8 US gal / 116.6 L

**ENGINE**

Type	Rotax® 900 HO ACE™
Intake system	Naturally aspirated
Displacement	899 cc
Cooling	Closed-Loop Cooling System (CLCS)
Transmission	Direct drive — Forward only
Starter	Electric
Fuel type	87 octane

ROTAX® 900 HO ACE™ ENGINE

GTI HULL WITH POLYTEC™ MATERIAL

RF D.E.S.S.™ KEY AND LEARNING KEY

DRIVING CENTER WITH ECO® MODE

HANDLEGRIPS WITH PALM REST

SEA-DOO® DRY BAG (ACCESSORY)

**ENGINE**

899 cc four-stroke, Rotax® with three cylinders in-line and four valves per cylinder

iTC™ (Intelligent Throttle Control) system

iControl® Learning Key®

D-Sea-Bel™ system

Closed-Loop Cooling System

The most compact and lightweight engine on the market today. The Rotax® 900 HO ACE™ incorporates crisp acceleration, impressive fuel economy and an excellent power-to-weight ratio.

Operating electronically, this advanced throttle system features activity-specific Touring, Sport and ECO® modes that can all be set to accommodate your riding style. The result is a more responsive, more intuitive ride.

The Learning Key allows you to limit the performance of the PWC based on rider skill-level.

Combines a series of resonators and vibration-absorbing components to make Sea-Doo® watercraft some of the quietest on the water.

Uses coolant to keep the engine running at the ideal temperature, much like a car's radiator. Also keeps out corrosive saltwater and debris.

**FEATURES**

Polytec™

The hull is made of Polytec™ material, a recyclable, low density and high-impact composite material that includes polypropylene and long glass fiber reinforcements. It was designed to maintain the structural integrity of the watercraft under stress while providing light yet durable parts to support the construction of the product.

iControl®

The "Brain" that integrates and controls all systems to create the best possible ride.

Touring Mode/ Sport Mode

Offers a choice between two throttle responses for different riding styles. Touring mode is the default setting offering a more progressive acceleration curve for a more confident ride — ideal for cruising and 2-up riding. Sport mode can be easily activated using the Sport button. It provides full acceleration performance for a more aggressive throttle response.

ECO® Mode

This iTC™ function automatically determines the most economical power delivery and sets the optimal RPM for greatest fuel economy.

3-up seat with Thermoformed Vinyl

Comfortable room for three — permits rear-facing spotter for watersports and features waterproof, UV resistant material for additional durability.

Elevated Fuel Filler

Easy access and prevents water intrusion while refueling.

RF D.E.S.S. Key

With radio frequency technology and a ball-and-socket design, the Digitally Encoded Security System (D.E.S.S.) key provides riders with easy and quick starts every time.

Interactive Multifunction Digital Information Center

Fuel level, Tachometer, Speedometer, Touring mode, Sport mode, ECO® mode, Hour meter and more.

Handlebars with Palm Rest

Rear Grab Handle

Sponsons

Seat Strap

Bumpers

Front Splash Deflector

Wide-Angle Mirrors

Dual Drain Plugs

Tow Hook

Flush Kit

Footwell Carpets

Emergency Floating Lanyard

Swim Platform Carpet

Operator's guide, instructional video and booklet

**GTS**

**PROPULSION SYSTEM**

Sea-Doo® Direct Drive propulsion system

Delivers optimum performance with the Rotax® engine.

Stainless Steel Impeller

Delivers improved acceleration, higher top speed and less cavitation.

**OPTIONS / ACCESSORIES**

Reboarding Ladder  
Retractable Ski Pylon  
Wakeboard Rack  
Shock Tube  
Depth Finder  
Dry Bag  
Ski Tow Eye  
Front Storage Tray  
12-Volt Outlet and Installation Kit  
Safety Equipment Kit  
Bilge Pump Kit  
Sandbag Anchor  
Fire Extinguisher  
Snap-in Fenders and Installation Kit  
Trailer Move  
Watercraft Cover

**WARRANTY**

BRP limited warranty covers the watercraft for 1 year for recreational use

**SEA-DOO®**
